LOWEST PRICE GUARANTEE

Titan Shops Lowest Price Guarantee assures customers the lowest available price option that is listed for all textbooks for the current semester. If textbook is available for less at another qualifying College Bookstore or online book company (marketplace and auction type sites do not apply) Titan Shops matches the price plus gives you 25% of the difference. Books must match ISBN, edition and condition (new/used/rental) and be in stock. For sites charging shipping, those costs will be included in the competitor price. International editions/comp/free/review copies do not qualify.
